

'SHORT NOTICE CLUB' MEMBERS

Do you have a flexible schedule?

Would you like to save 5% on your routine hygiene appointments?

How do I take advantage of the 'Short Notice Club'?

Once you have indicated you would like to be enrolled in the 'Short Notice Club', you can let us know what time best suit your schedule for a cancellation appointment. If you are contacted by us 24 hours prior to an appointment opening and are able to fill that appointment time we will give you a 5% discount on the charges for that appointment. We will call all of our patients that are available for the time of that opening and the first patient to contact us back can have that appointment time with the discount. This offer is not transferable to other members/patients.

No other discount will apply.
